If we suspect, in our reasonable opinion, fraudulent or unauthorized activity on your account, we reserve the right to terminate or suspend your access to our website or any applicable services or both and will contact you to advise of this decision.

8. CONFIDENTIALITY AND DATA TRANSFER. We maintain reasonable technical and organizational security and data storage policies and measures for facilities within our control, in accordance with our [Geotab Technical and Organizational Data Security Measures Statement](#), as amended by us from time to time. Data may be stored or transmitted through third party facilities, third party services or common carriers, including without limitation the internet, in the course of using our Products. You shall not provide third parties with access to any software and non-public information in and regarding the Products and any other confidential information that we provide without our prior written consent, except to your own employees, subject to adequate confidentiality agreements. We will not disclose your Individual Vehicle Data (as defined below) to any third party except in the following circumstances: (i) to our service providers, who have a need to know in order to assist us in providing Products to you, and who have all agreed to confidentiality terms and use restrictions similar to those set forth herein; (ii) with your consent; (iii) to comply with a subpoena, warrant, court order or other legal requirement (but to the extent practicable and unless prohibited from doing so, we will provide you notice of the disclosure so that you may seek a protective order or otherwise object to the disclosure); or (iv) where a company acquires us. For more information, please see our [Privacy Policy](#).

9. YOUR VEHICLE DATA. We claim no ownership of any vehicle data that you generate and associate with our devices installed in your particular vehicle(s) ("Individual Vehicle Data") and which you transmit or process using our Products. We will process and transmit Individual Vehicle Data to provide, maintain and improve our Products and perform obligations under this Agreement and applicable law. Geotab compiles, stores and uses aggregated data and system usage information to monitor and improve the Products and for the creation of new products, in accordance with the [Geotab Data Analytics Policy](#). The aggregated data that we use in this manner is no longer associated with a device and as such is not Individual Vehicle Data. Geotab will not attempt to disaggregate the data or re-associate it with a device without your consent or unless legally compelled to do so or unless required for safety or troubleshooting purposes.

11. FEEDBACK. You understand and agree that any feedback, input, suggestions, recommendations, troubleshooting information or other similar information that you provide or which is made available to us (whether directly or through a reseller including in the course of utilizing support, maintenance or other services) may be used by us to modify, enhance, maintain and improve our Products and shall become our exclusive property without any obligation or payment to you or to any of your customers whatsoever.

We warrant that during the Warranty Period each Product (including beta products obtained through the Geotab beta program, but excluding other test or demonstration products or product versions) will perform in accordance with the written specifications that we issue with respect to such Product, subject to the limitations and conditions set forth in our specifications and this Agreement, when used in accordance with our documentation and specifications. "Warranty Period" means either: (a) the one year period commencing on the activation date; or (b) the lifetime of the device, provided that the device is activated on certain rate plans (currently the ProPlus rate plan and any other rate plan as announced by us from time to time ("Limited Lifetime Warranty")). Provided you properly complete and we receive from you, directly or through an authorized reseller, a

justified written warranty claim and, if applicable, all affected devices (returned at your expense to the reseller from whom you purchased the devices or as otherwise specified by us), prior to the expiration of the Warranty Period, we will either repair or replace such device or use commercially reasonable efforts to correct any material defects in software and services. We reserve the right to replace any device and software with a more current version or model or refurbished device units in our sole discretion. We also reserve the right to charge you return shipping and a reasonable service fee if we determine that your warranty claim was not justified. The remaining Warranty Period for any purchased Products we repair or replace under warranty is deemed to be the greater of: (aa) the actual remaining Warranty Period for the replaced or repaired Product; and (bb) 90 days following the completion of such repair or replacement. Additionally, under the Limited Lifetime Warranty we will replace the device in accordance with the process specified above if the network on which the device operates no longer provides adequate coverage in your usage area (as determined by us in our discretion). To the maximum extent permitted by applicable law, the foregoing constitutes your sole and exclusive remedy and our sole and exclusive obligation for any breach of the foregoing warranty.

13. **CONDITIONS AND EXCLUSIONS.** Warranty claims must be submitted promptly after the date when you noticed the defect. In order to make a warranty claim, you may be required to prove that the installation did not cause the defects or failures of the Product, unless the installation was performed by a Geotab-certified installer. Any products, services or items made or supplied by third parties (including vehicles tracked with our Products) are not covered by our limited warranty and we are not responsible for malfunctions by or in such products, services or items. Improper installation can lead to short circuits and the risk of fire, leading to personal injury or significant damage to your vehicle. Installation or servicing may also require modifications to your vehicle. Failure to comply with procedures specified in the installation instructions for a Product, or attempting to install our Products without adequate knowledge of our Products, proper installation, configuration, servicing, repair or removal procedures, or your vehicle, may result in damage to the Product or your vehicle, which may cause malfunctions of vehicle controls or vehicular environmental systems and result in personal injury. You understand that any such activities not performed by an authorized Geotab reseller or installer will be at your sole risk. You also agree to comply with any safety-related instructions communicated to you by Geotab, including removing the Product from your vehicle if Geotab determines your vehicle is not suitable for the use of the Products.
