Fleet Management Solutions

Shift Productivity and Safety into High Gear

These days business moves faster than ever. Keeping your trucks on the road is a top priority. Geotab's fleet management solutions give you complete visibility of your workforce, assets, and costs for greater insight and informed decision-making. We have the tools you need to maximise uptime, maintain compliance, dispatch and route efficiently, reduce fuel consumption, and control costs.

The Geotab Advantage

- + Ensure timely deliveries with scheduling and route optimisation.
- + Maximise fuel efficiency with real-time monitoring and detailed reports.
- + Schedule maintenance to prevent costly vehicle downtime.
- + Improve driver safety with in-vehicle coaching.
