

Courier & Delivery

Fleet Management Solutions

Efficiency from Hub to Spoke

These days, business moves faster than ever, and delivery services are met with increasing demand and competition. Transporting time-sensitive goods quickly, safely, and reliably is essential to keeping customers happy. Geotab helps you reduce fleet costs, boost on-road productivity, and improve driver safety with high-performance technology that's scalable, flexible, and customizable.

The Geotab Advantage

- + Complete visibility of workforce, assets, and costs
- + Dispatching & Navigation
- + Route optimization
- + Accident detection & notification, Driver safety scorecard
- + High-performance GPS technology
- + Advanced dashboard reports
- + Open platform for easy data integration
- + Marketplace apps & add-ons
